Stop Tobacco

Stop tobacco for a month and see how
much better you feel. You can stop
without suffering any inconvenience
from the usual craving. Simply get a
box of Nicotol from any drugstore, and
directed and the habit quite gone. Your
health will be better, your resistance to
disease will increase and you will not
be a slave to nicotine. Read what Dr.
Comer, formerly of the Johns Hopkins
Hospital, says about the evil effects of
tobacco in an article soon to appear in
this paper. Nicotol is dispensed by
good druggists in this city, especially by
John Hargrave drug store.

ADVANCED prices for new goods are inevitable. We would all like to
prevent them, but it can't be done. Our advice is to buy before the new
prices go into effect. This spring's styles in men's and young men's top-
coats have changed little if any, from last year's. The only big difference is
in the price.

Remember, these coats have not been marked up to this year's prices, then
reduced, but are reduced from last spring's prices. Many of these coats
would sell at \$65.00 to \$75.00 if bought on the present market. **Spend now
and Save.**

This stock of coats includes a wide variety of styles and materials—
men's, young men's; slims and stouts; dress coats, cravenettes, and sport
models.

An attractive coat for young men who like snappy styles is the double-
breasted, form-fitting model in oxford or tweed, either with or without belt.
Our form-fitting Knit-tex coats in grays and browns are also popular. The
lot also includes iridescent, black dress coats and fancy mixtures.
